Pardo GT52 featured at the 2023 Fort Lauderdale International Boat Show

PARDO YACHTS • OCT 25, 2023

A novelty that will be positioned between the walkaround and the endurance range, appealing to a segment of owners looking for even more spacious and comfortable volumes than the current walkaround models – but without sacrificing performance.

365 DAYS OF COMFORT AND DESIGN

The architecture of the spaces allows two layout options: galley up and galley down. With the first one, it is possible to have a lounge area with TV or a third cabin with a bunk bed on the lower deck level, with the second one, the square of the dinette is even bigger and the kitchen below deck is even more equipped for use even in colder weather conditions.

52 FEET OF AUTHENTICITY

Space, luminosity, elegance and comfort. The innovative concept of the Pardo GT stems from an idea to create a convivial boat that could best connect the interior (the sheltered area) with the exterior. The boat features innovative solutions that maximize the comfort of life on board and the ease of use in every moment of the nautical routine.

- UNMISTAKABLE HULL LINES, DUE TO THE INVERTED BOW
- ENHANCED PERCEPTION OF SPACE
- RELAXING WIDE SPACES
- COMFORT FOR EVERYONE
- LUXURIOUS COMFORT
